Mr. Shivaraju B

Instructor in EEE

Faculty

Faculty of Engineering and Technology

School / Program

School of Engineering /

B.Tech. in Electrical & Electronics Engineering

Faculty Introduction

As an Instructor in the Electrical & Electronics Engineering department, you are currently responsible for leading several critical laboratory courses. This involves managing foundational labs like Basic Electrical and Basic Electronics, while also running specialized practical sessions. I guide students through simulation work in the Circuit Laboratory using Pspice, instruct the Control System lab, and provide hands-on training in advanced areas such as Power System Analysis and Digital Signal Processing. I ensure students gain crucial practical skills across the entire \text{EEE} curriculum.
